Regular Members: See page 2 (or back side) for Membership/Specialties Directory Information

Specialties

A pursuit, area of study, or skill to which someone has devoted much time and effort and in which they are expert.

Only **15** specialties will be displayed in the On-line Directory.

No "write in" specialties will be accepted.

The on-line directory gives you the ability to further describe your areas of specialization in 250 words or less. You can also add pictures.

The On-line Membership/Specialties Directory

Members can update their information in the On-line Directory by "Claiming your listing".

Do this by bringing up your directory listing and clicking on "Business Owner". Fill out the information and you will receive an email confirmation that you may now update and change your own listing.
