

2013 February Newsletter Article by Laura Tripet Dodge

Wine & Chocolate 2012

The Wine & Chocolate Fall Gathering was held on October 11th at Old Arizona in Minneapolis – it is the annual networking event and membership drive just keeps getting bigger and better every year! The evening was well attended, many members brought guests to learn about MWP, committees hosted information tables, and the new Mentorship program was launched. We learned about Old Arizona's non-profit work engaging and empowering girls in the surrounding community, and we hired their business training program "Petal Pushers" to provide amazing floral arrangements for the event.

The Membership Committee would like to remind you that it is always a great time to invite your colleague to join MWP! New members can join anytime during the year, and membership is good for one year from the date of joining.
